Ashburton Contracting Limited

Health & Safety Policy

Ashburton contracting Ltd is committed to the protection of our employees and others from accidental injury. We will promote best practice methods to support continuous improvement in the health and safety of our employees and others.

Ashburton Contracting Ltd shall achieve this by:

- Appointing a Health & Safety Manager to manage Health & Safety Systems
- Promoting employee participation by nominating Health & Safety Representatives and a Health & Safety Committee
- Developing and implementing a Health & Safety management system that complies with all regulatory requirements
- The accurate recording of accidents, incidents and near miss occurrences
- Promoting a safe and early return to work policy
- Ensuring that all employees are adequately trained in the use of equipment, protective equipment and the tasks they perform
- Ensuring that all employees are supplied with the resources they require to carry out their jobs safely
