

ACL Workshop Branch Manager - Timaru

ACL is a successful and busy heavy vehicle workshop with a reputation for top-notch service and customer satisfaction. This role is based in our Washdyke workshop in Timaru and supported by head office in Ashburton.

We're looking for a dynamic Heavy Vehicle Workshop Manager to join our team and continue to drive excellence in our Workshop operations. Our specialty lies in the maintenance and repair of heavy vehicles and COF's, as well as being agents for Isuzu and Scania Parts and Service.

As a Branch Manager you will be responsible for managing our team, fostering robust relationships with customers while meeting their expectations and timelines, and upholding our workshops service standards, ensuring we continue to deliver a high-quality service program for our clients.

Skills and Qualifications

- Qualified mechanic or have a background in the Automotive and Transport industry.
- Maintain a 'Customer First' and 'Can-Do' attitude.
- Able to meet deadlines and thrive in a busy, fast paced environment.
- Strong Leadership and Team Management skills.
- A positive attitude allowing you to engage and collaborate with staff and management.
- Excellent decision making and prioritising skills.
- Current Driver's License, Good Computer skills and knowledge of Workshop Systems.

You will develop a good understanding of the productivity and efficiencies of your technicians to support them in providing high quality repairs within the quoted price. Having a proven track record of success in a leadership role and staff development, you will be responsible for apprentices through to master technicians.

ACL promotes a safe and healthy environment for all staff and values the work life balance, we have initiatives that not only look after our staff but encourage them to be involved in what makes ACL a great place to work, if this resonates with you and you would like to become part of our team then apply now!
