

## **Plumber**

ACL has established itself as a leading Company within the Civil Contracting Industry throughout the wider Canterbury Region with a workforce in excess of 140 staff. We have proven ourselves in a dynamic and challenging market through both our performance and quality.

“Your First Choice for Customers, Community and People”, we care, we grow and we deliver. If you want to be part of a great team doing great things, delivering rewarding work, then we have the opportunity for you.

Due to ongoing growth and opportunities within our current business model we are now actively recruiting a plumber to join the team. If you are a highly skilled, qualified plumber looking for a new opportunity with the possibility of managing your own department and team then this is the job for you.

The role:

- Installation, maintenance, and repair of plumbing systems
- Diagnosing and troubleshooting plumbing issues
- Leading from the front in regard to quality and safe working practices
- Maintain accurate records of work performed and materials used.
- Be a confident and skilled communicator within a team environment
- Be motivated with a positive can do attitude

Key attributes:

- 5+ years' experience as a plumber
- Certifying plumbing qualification or working towards this.
- Knowledge of NZ plumbing codes and regulations
- Ability to work independently and as part of a team
- Strong problem-solving skills
- Excellent communication and customer service skills

What we offer:

- Competitive remuneration and tools of the trade including work vehicle (depending on qualifications and experience)
- Opportunity for ongoing training, personal development and career growth
- Supportive and collaborative work environment

The successful applicant will be required to complete a pre-employment drug screen.

Applicants for this position should have NZ residency or a valid NZ work visa.

Please send your application and a CV or details to:
